

CLAS Service

Clas is a Library Access Service, **which** allows you to access Humanitas online resources by proxy when you are away from Humanitas.

To access the service, you must register as follows:

- Log on to <https://clas.cineca.it>
- Click **Richiedi username e password per l'accesso**
- Enter your University email address to receive the information required to complete the registration and click **OK**.
- After receiving the confirmation email, complete the registration process, following the instructions and logging in within 24 hours to the email link.
- Complete the registration by entering your personal information, select the **IRCCS Library Humanitas Clinical Institute - Rozzano (Milan)** and click **OK** to submit the request.
- Once you have received approval from your organization, a confirmation email will contain the personal credentials with which to access the service.

For more info you can contact Library - Scientific Documentation Center:
